

e2a Installation Guide

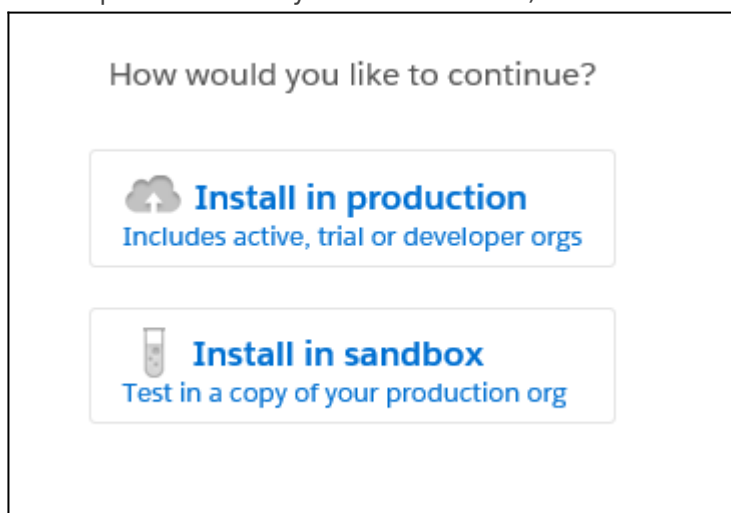

To install e2a, follow the steps below:

1. Visit App exchange. Log in to your account (If you are installing from link provided from Ortoo, please proceed to step 7). Click the link below for **Ortoo Email-to-Anything** on app exchange: <https://appexchange.salesforce.com/appxListingDetail?listingId=a0N30000003Hul9EAK>

2. Click on the **Get it Now** button

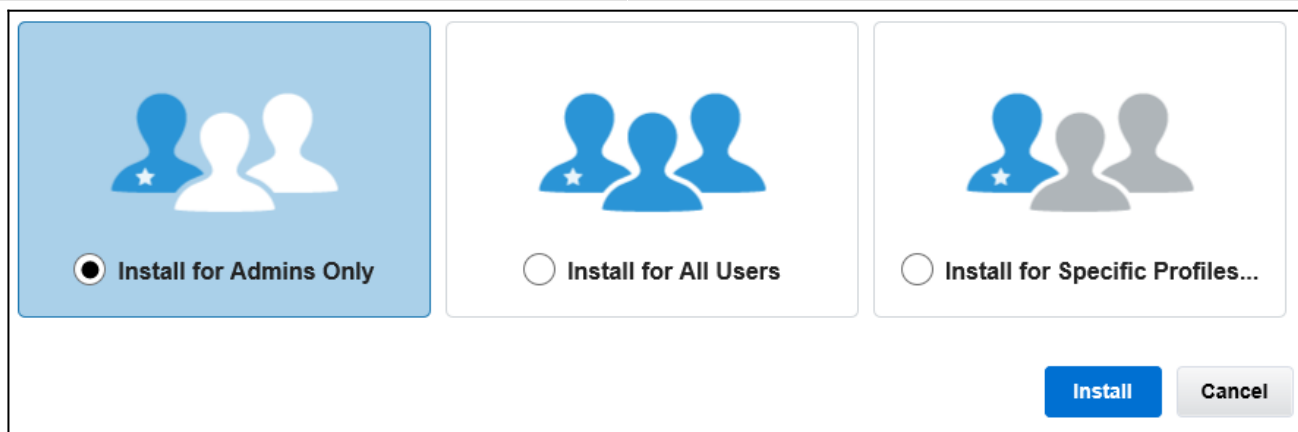

3. Select one option, where you want to install the e2a app. Either **Production** or **Sandbox** (For more details please contact your administrator). See screenshot below:

4. Read the terms and conditions, if you are agree, select the checkbox. Click on **Confirm and Install** button. You can also download the customization guide by clicking on **customization guide** link

5. Salesforce wants you to log in again to ensure your identity. Type your User name and Password to log in
6. Select **Install for Admins Only** ([recommended](#) - to prevent unwanted access to the Users and Profiles), then use the [Permission Sets](#) to give access to the Users

☒ Install for Admins Only

☐ Install for All Users

☐ Install for Specific Profiles...

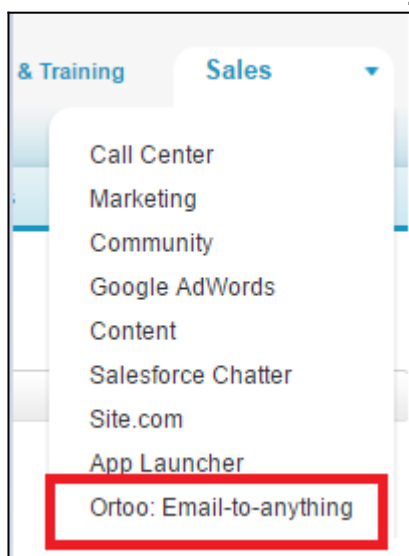

Install **Cancel**

- Once you have installed the e2a successfully. You will receive the confirmation e-mail on your Salesforce registered e-mail address
- After that you will be redirected to the **Installed Packages** menu. Where you can see all the packages you have installed in your account. The installation is now complete

Installed Packages

Uninstall Manage Licenses	 Ortoo: Email-to-anything	The Software Connection Ltd	2.8800	ortoo_e2a	Trial	50	1	09/03/2016	08/02/2016 08:55	<input type="checkbox"/>	1	7	30
Description Ortoo: Email-to-anything													

Accessing e2a's tabs

Now that e2a is installed, you can view e2a's tabs by clicking on the dropdown on the top right corner of the page then click on '**Ortoo: Email-to-anything**'

After clicking on **Ortoo: Email-to-Anything**, you will be redirected to the **e2a Home** tab, and will see the other e2a tabs along the top of your browser page. You can also access the e2a tabs by pressing the Salesforce  icon.

If you require help with installation please contact us at support@ortooapps.com

Once you are done with installation process, please look at the [e2a Quick Start](#) for details of how to configure e2a.
